Subject: Sit Rep #100: Freedom Convoy 2022- National Capital Region 2022-01-28 to 2022-02-08

** Please be advised that this will be the last Sit Rep of the evening, as long as the situation remains stable. Sit Reps will resume at 0900hrs on 2022-02-09**

Situation as of 1906hrs on 2022-02-08

Event Overview:

- **No demonstrators** reported to be on **Parliament Hill** at this time.
- **No demonstrators on Wellington St. and in the downtown core.**
- OPS estimate that there are **500 trucks in the downtown core.**

Operational Information:

- CIG Open Source has captured two videos posted to the Instagram account of **Personal Info.**. In both posts, **Personal Info.** references “leaks” from the police. In the first video, **Personal Info.** indicates he has news from

“sources inside the police infrastructure.” **Personal** indicates he “trusts” these sources. The information **Personal Info.** believes he is “leaking” references “100s of the RCMP members ... being assembled...” followed by “mass arrests...” etc. [\[i\]](#)[\[ii\]](#)

- s.37

- **FPNS Task Force:**

- OA Reviewed CIG updates:

- o Increase in social media posts that threaten or incite violence against uniformed personnel.
- o Video from **Personal Info.** titled “Large Police Reinforcements Heading to Ottawa – Mass Arrests Imminent” garnered comments including from YouraverageJoe “Last stand Canada, Don’t give Up, I will come help with my fucking armory in tow”.
- o FPNS assessed insufficient evidence in this specific posting to support further criminal investigation however FPNS will monitor.

- CIG update #107/ PROS: 2022-164377

- o CIG OSINT located a social media threat against the Hon. Hugh McLean, Ontario Superior Court Justice, stating: “Hang the traitor judge.” Another user called for the release of private or identifying information (i.e. doxing) of Justice McLean. The online negative sentiment follows the recently granted 10-day injunction, banning the horn honking and air horn blowing. FPNS will liaise with the Ontario Provincial Police for follow up as lead agency. FPNS to monitor.

Operational Planning:

- Nil updates at this time.

Protective Clients and Protective Sites:

- Rideau Hall vehicle diversion strategy has been implemented, with OPS support. The intent is to redirect protest traffic, utilizing static PC’s and concrete barriers, from the Rideau Hall area. For clarification purposes, these PC’s are deployed in proximity to these intersections and would only assume the static post, blocking the intersections, if convoy vehicles were approaching.

Communications:

- Nil updates at this time.
